CHAIRMAN'S REPORT – SEASON 2011/2012

This season has seen a number of highs and lows and can only be described as challenging. From a positive standpoint, the big plus has to be the agreement that we have struck with Woking College where Blackhawks becomes the principle tenant of the fabulous sports facility that has been built. Considering that the initial interest was as a result of a casual conversation with the Deputy Principle of the college at last season's Surrey playoffs, the amount of work that has subsequently gone into securing the arrangement, through endless meetings, the securing of funding from both Woking Borough Council and English Basketball, has been immense. The full arrangement commences at the beginning of September and the Executive of the Club is hopeful that benefits will accrue through us now having a home base, and also through our relationship with the College teams as well. My thanks particularly go to Martin Marshall for the preparation of the various bid documents and the time that he has given to the cause.

From a playing perspective, obviously the season was going to be a challenge with the Flyers stepping up in class with their entry into the National League. If only the availability of their strongest squad could have been guaranteed throughout the season, not only for matches but for training as well, I am sure that the results would have been better. Their home form was good, but away from home was very inconsistent. Going forward there will be a need to strengthen the squad if they are to challenge seriously for honours. As far as the Wessex League Teams were concerned, the Chasers season never got going and with a lack of administrative backup, squads were often only advised of fixtures on the day before the match. Their cause was not helped with the resignation of the Head Junior Coach, which in turn led to two key players becoming unavailable. Again players did not have the commitment to train as a team and results suffered as a result. The Hunters, in Division 2, after a bad start to the season came good and forced their way into the playoffs before succumbing to Aztecs.

The Ladies proved to be the saving grace of the season with the First Team securing third in the League, whilst the Towers won Division 2. Meanwhile the Wheelchair Basketball section went from strength to strength with great results throughout their four squads, whilst they also had two players selected for the GB squads.

In the Juniors, whilst silverware was sadly lacking, the teams played with a great deal of enthusiasm despite the National League teams coming up against teams far stronger than themselves. It was sad that we had to withdraw two of our teams from the National League due to lack of numbers. The development squads are doing just that and it was a pleasure to table for the junior squads. Whilst the Administration of the Bracknell CVL remains a challenge, it is intended to continue in that competition for the coming season. If only the Bracknell CVL could follow the organisation of the Surrey counterpart CVL. Following the resignation of Steve Dean as Head Junior Coach, I am pleased to welcome back Costas in that role for the coming season. He has already put his mark on the Junior squads with the introduction of new fitness initiatives that will hopefully bring results next season as well as developing the life skills of individuals as part of their development.

I would also like to mention a couple of key fund raising efforts towards Motor Neurone Disease charities by the U16 Junior squads who raised over £800 pounds towards the Alice Tuckworth Hospice whilst Michelle raised a similar amount towards the MNDA by undertaking a skydive, cake sales and raffle.

Sadly, Phil Parry is stepping down as a member of the Executive so we will need to ensure that we appoint someone to replace him on the Committee to represent the views of the Ladies.

Before I finish, I would like to congratulate both Tish and Vicky on being selected to Table at last year's Olympics. Also to David Kingstone, who is unable to be with us tonight on his election to the Board of the British Wheelchair Basketball Association. A great advert to Blackhawks.

Our challenge going forward is to pitch our Club at the right level. Your Executive is looking closely at our development plan to ensure that this will happen. We need to continue to look at ways of securing funding either through grants or sponsorship, the latter being extremely difficult in the current economic climate. We also need to put more emphasis on promoting the Club through the local press and local schools to ensure that we can maintain growth for the Club, without having to put more burden on costs to players. Another key goal is to complete the full integration of the Wheelchair section into the Blackhawks. Hopefully the Woking College arrangement will help with this goal. And finally, we need to increase our volunteer pool especially where there are gaps at Team Manager level. The need to increase the number of TO's and referees within the Club is also a priority to ease the burden on the TM's and those individuals who are Tabling once or twice, or even more, each week during the season.

Congratulations go to the U23 Team which won the annual Warrior's U23 tournament, although the Flers were unable to repeat their success from the previous season in the Senior tournament. At the Surrey Sports Award, whilst there were a couple of highly commended Club mentions, the Woking Girls Squad picked up the best Junior Team Award, whilst the Club as a whole was awarded the Trotman Trophy which recognises Clubs or individuals who have made an impact or significant contribution to the promotion of sport in the local over area over a number of years. It is a trophy that is deserved and is as a result of the commitment put in by a number of individuals over the years.

To conclude, I would like to thank the many volunteers that make the Club what it is today. The Coaches and Team Managers have done a fantastic job during the season. But I would like to pass on my personal thanks to our Secretary, Martin Marshall, and to Jenny for keeping the registrations up to date and her time in tabling so many games during the season. Keith Farmer continues to contribute significantly to the Club through maintaining the key safeguarding process within the Club. Our accounts remain healthy and this is down to the hard work of Tim Hearn our Treasurer. If I have missed off anyone, then I apologise now. Anyway, here's to season 2013/2014.
