CHAIRMANS REPORT – SEASON 2008/2009

As I look back on my third year as Chairman of the Club I have to repeat what I have said year on year now, that I am staggered by how much we have achieved in the last 12 months and that we have continued to develop, broaden, and at the same time strengthen our Club. This is entirely due to the dedication and commitment of the Committee and Officers who deserve a huge pat on the back for the professional way they tackle every challenge and new development. They work fantastically together as a team and never fail to help one another out when support is needed.

I don't have enough words or space to express my thanks and admiration of all of them, but I must single out the executive committee of Martin, Costas, Tim and Phil who have been tireless.

Now that my career change has me working for England Basketball, I can see and hear at National level that we are very highly respected for what we have achieved as a Club and the name Woking Blackhawks is recognised across England - and it means quality!

I am very proud of all our achievements this year and I make no excuses for highlighting all of them (or as many as I can remember!) in my report. Two items in particular seem to sum up what we are all about...

We became only the 13th Club in the country to achieve EB 4 star accreditation and most of the other 12 are big EBL or BBL clubs. Only 2 clubs in England have 5 Star. This is a tribute to absolutely every member of the club as we all count towards the criteria in one way or another.

Secondly, our association with the wheelchair basketballers of the Rushmoor Mallard Marvels opens up a whole new dimension of the club and has the potential to be an exciting development. Again this puts us up with only a handful of clubs in the Country with the same vision. Next season they will come under the Club wing and compete in the National Wheelchair Basketball League as the Blackhawks Mallards. Do get involved and at least take in some games next year, they deserve our support. Coaches required!

What else... well... U18 boys compete in Europe, 2 teams in National League, success at EB Volunteer Awards, new website goes live, Success at Woking Sports Awards, Members serving on Surrey and Wessex Committees, work in the community with WBC, Coaches into Primary schools and Festivals, Success in organising Surrey Youth Games, RAF grants fund electronic clock at Winston Churchill, WLC Birthday parties, over 200 members, articles and pictures in Woking News and Mail on a weekly basis... there must be more as well.

I'll let the Head Coaches list the on-court achievements – the list is just as long!

The Club has a firm financial footing but we cannot afford to be complacent, we have been rewarded for our successes this season with a number of cash awards, but these cannot be relied upon year on year. Our aim will continue to be delivering the highest quality Basketball for our members at the lowest cost we can, but some increases may be unavoidable in the season to come.

I hope you all enjoyed the season as much as I have and I look forward to another great one ahead. What will we do next!?

Keith Farmer, Chairman, 25th June 2009
